New Directories Next Year

Attention, all Alumni and former teachers.
Next year, 1972, is the year for a new Alumni directory to be printed. This, we want all addresses to be current.
Have you moved since 1967, or since you were last in touch with our Alumni secretary? If so, write to the secretary of the Alumni Association, or to some member of your class who would relay the change.
Start now, as work on this new directory must start early this summer to enable the printing of it shortly after January 1, 1972.
Also, we would like to have the addresses of former teachers so we could extend a special invitation to them.
Please help us in this way to speed the new directory on its way.

Class Pictures In New Portfolio

After much hard work by the Alumni (and some non-Alumni) the class pictures (with the exception of the last 10 or 12 classes) have been mounted in the new picture portfolio which the Alumni purchased this past year.
And, already it is greatly enjoyed by visitors to the Arnold grade school where it is hung. We are short a few mounting frames, but they will be purchased soon and the remaining pictures will be put on display.
And, this leaves the Alumni with all of the former frames off the pictures. It was decided to offer these for sale. They will be on display the night of the banquet. Look them over and place a sealed bid on any one or more that you would like, and the frames will be sold to the highest bidder.

Gary Conley Master Of Ceremonies

Mr. and Mrs. Gary Conley

"A glint of devilment gleaming in his eye" was the way Gary Conley was described during the four years he attended Arnold High, and I wouldn't be surprised if that is still his by-line even after being out of Arnold High School since 1968.
Gary spent his time with Uncle Sam, serving in Viet Nam and returning to Arnold where he and Janet Purcell of the class of 61 were married.
The Conleys have become well acquainted with the country east of us. He was employed by the F.B.I. in Washington, D.C., Monsanto Chemical Co. in St. Louis, Mo., and Newark, N. J., and back to Omaha where he has been the senior buyer for Fairmont Foods Co. since August of 1969.
Education - wise since Arnold High, Gary attended Kearney State College, Kearney, Nebraska, and the University of Maryland where he earned his Bachelor of Science degree in 1967. He also belonged to the Delta Nu Alpha Fraternity.
Gary and Janet have three children: Traci, 5; Shannon, 4; and Dustin, 16 months.

Bill Ricker Enjoyed Visit

Dear Hazel:
I am not sure to what date my dues are paid, so am enclosing \$2.00 which should "clear the boards for the present, and small chunk of the future".
Last year's banquet was very enjoyable for me. I can't make it this year - spent all my money getting remarried. But, I think I got my money's worth! I married a teacher - pretty sneaky way to further your education.

Best of luck on this year's banquet - and hearty thanks to those involved in putting it on. They are to be commended for their fruitful labor.

I thought it was a very well organized affair.

1970 Alumni Banquet Considered A Big Success

by Darlene Rimpley
You hear their talking about it and say "This one, it sure sounds like fun". You see pictures taken at one and say "Gee, it looks like fun". But, folks, you really have to attend an Arnold Alumni banquet and program to know how much fun one really has there.

To hear the same greetings of friends and classmates who haven't seen each other for five years, or fifty, to hear them saying "Do you remember the time . . .", and just to see the look of happiness as they watch someone else meeting an old friend.

And the guests of the Alumni members seem to have as much fun as Arnold grads.

There were a lot of laughs as Bill Ricker of Worland, Wyo., master of ceremonies, mentioned the fact that it took him six years to graduate, and so no class would claim him until Don Smith on behalf of the class of '40, announced that they would accept him as one of theirs; also as the Croghans and Crow families kept bobbing up and down at the same time to see which family had the most grads present - the Croghans had four, Crows had five and there were five Koch graduates present; also as Bill told about Bob Watson "treating" him to a dip in the Loup River; as Jerry Dillon couldn't remember how to pronounce Mandan (he's only lived there a few years); as he counted and recounted to come up with the fact that there were nineteen 1940 class members here for the banquet for the largest class present.

The class of '30 had eleven members, the class of '50 had fourteen, the class of '60 had nine and there were twenty-three from the newest class to join us - the class of '70 and we were honored to have two members of the 1920 class: Mrs. Estelle Root Hays of Goodenough and Wm. Smith of Gillette, Wyoming here.

Returning faculty was Mildred Mason Nansel, now of Callaway, who taught here from 1928 to 1931.

1970 Alumni Banquet Considered A Big Success

It was nice to have new members Ardis May, Maeda Cropper, Cheryl Seda, Jim Lehman, Lannie Geiser and Dan Crossland get off to a good start in the association as they presented a one-act comedy farce; and the class of 1970 sang their class song.

The 1970 class president Dan Crossland presented the 70 class picture to the Alumni.

The Alumni door prizes were won by Bonnie Twist Romine and Peter Seda, with the door prizes given by the Aron dealers.

Two special musical numbers were presented. "Green Green Hills of Home" was sung by Marlene Hircok Tashan, class of '61 accompanied by Sharon Fales Shaw, '56; and Marion Kauper Sailer, '61 accompanied by Sunbeam Oman, Swanson '50 sang.

Gaylene Garrison Weber, '51, was in charge of the memorial service, assisted by Margaret Tullis Beatty '58, and Cecil Nansel Smith, 1915.

The new officers for 1971 are:

President: Raoul Johnson '62;
1st Vice President: Betty Bean Cole '50;

2nd Vice President: Jane McDowell Hornung '63; and Hazel Forrester Stuppelweh has one year left on a three year term as secretary and treasurer.

The purchase of a permanent picture display case was approved by a large majority.

It was noted that there are no class pictures for the classes of 1915 through 1927 and the Alumni would like to get these. Would members of these classes please contact either the president, Raoul Johnson or Hazel Stuppelweh so work can begin on these pictures to be placed in the display case.

It was a great reunion and banquet this May 29, 1970. Let us make 1971 even better.

"Say, do you remember the time that . . ."

Comment: Lane McClure, who was the newly elected president moved from Arnold in August, so Raoul Johnson, also on the 1970 ballot as a presidential candidate was appointed to fill this office.

Dear Mrs. Stuppelbein:
I am enclosing my dues for the years 1970 and 1971. I don't want to miss out on any of the Alumni News. Not many back then that I still know, but the ones whom I do know are a much more important.

Just wish I were near enough to run in each year for the big banquet. Perhaps when our 60th anniversary comes around, I will be able to make it. I have had another "round the world trip" since I was there in '63. And my trips have given me a lot of friends in many foreign countries. I had several Japanese friends visit me last summer, and some from India the previous year. Today I have a girl friend whom I met in Korea visiting me.

We have overstepped since we met in Seoul and I have been instrumental in getting her a scholarship. She is making good use of it now. Has her M.A. degree in United States Culture, and is just now starting on a 15-month tour of studying of "Black America". Best wishes for you in your Alumni publication and to all the new graduates, who are being initiated this year.

Sincerely,
Ruth Needham Spencer

Dear Hazel:
I am enclosing a dollar which I hope will cover my 1970-1971 dues so that I can receive the annual paper as I look forward to it each year.

I regret that I will be unable to attend the banquet this year but we have a high school graduation that day. I hope to attend and look toward our 25th reunion in '72.

Thanks for remembering me and keep the good word coming in the paper.

Sincerely,
Margaret Ann Marks Dorch

Enclosed please find the money for the dues. We look forward to receiving news of our past friends. I will send addresses and dues for the directory before the summer is over.

Our immediate family all live here in California. Shannon is here in Salinas, Patti in Yuba City and Vicki in Orange Calif.

We have the 12 grandchildren, ages ranging from 18 to 2 years old, three boys and nine girls.

We have lived here in Salinas since 1935, enjoy the beautiful weather and climate here. Ray is still with Union Oil of California, and is also associated with Hertz Car Rentals.

Enclosed please find a \$2.00 check for two years' Alumni dues for Rollo and I.

Wish we could be looking forward to attending the banquet this year, however with Rollo's work at the school it's very difficult as that is such an active time of year. Guess we'll have to enjoy the news of the paper and just hope to make it before retirement age. Actually that isn't very far in the future!

We attend the Arnold picnic in Long Beach in August each year. Flew to San Francisco two years ago in September and attended the Arnold picnic there and visited with friends we had not seen in years.

Our son, Lynn is married. He took a breather from college this second semester but plans on next fall again.

The officers of the Alumni Assn. over the years have done a wonderful job and are to be commended — it isn't a small job.

Our children are going to a Sager school this year. We consolidated with four others. It is District 127 on Highway 83. There are two teachers and 25 pupils. We just have the three youngsters.

We will be looking forward to seeing a lot of familiar faces in May.

Tell Margaret "hello". Does she still live out east of town, and does Sal still run the filling station. We haven't been to Arnold for a number of years.

Sincerely,

I was checking my cards to see if my dues were due. I was a member in good standing for 1970, but will that entitle me to the news letter? To make sure I'm sending in my dues & making four reservations for the banquet.

My uncle, Lester Hays, is planning on coming back for the banquet this year. His class was the class of 1933. His new address is: Lester R. Hays, Rt. 18, Box 432A, Olympia, Wash. 98501.

Enclosed 50c is for my 1971 dues — I'm sure I'm paid up to date. I won't be able to be to the banquet this spring, but definitely plan to be there in 1972 — that will be the 40th year since I graduated.

I'm so in hopes that we will have a good class reunion at that time — it wasn't a very big class and mostly girls.

Dear Hazel:
Thank you for your card reminding me of the Arnold Alumni Banquet in May and the directory and paper available. I have been sort of out of touch with the Arnold friends and, I might add, have missed them.

I wish that I could say with certainty that I could attend the Alumni meeting and banquet, but with a busy family, and a busy job things are uncertain. My wife comes from northwestern Kansas, so keep hoping that we can attend the meeting and visit her family at the same time, or at least on the same trip.

Dear Hazel:

I was checking my cards to see if my dues were due. I was a member in good standing for 1970, but will that entitle me to the news letter? To make sure I'm sending in my dues & making four reservations for the banquet.

My uncle, Lester Hays, is planning on coming back for the banquet this year. His class was the class of 1933. His new address is: Lester R. Hays, Rt. 18, Box 432A, Olympia, Wash. 98501.

Our children are going to a Sager school this year. We consolidated with four others. It is District 127 on Highway 83. There are two teachers and 25 pupils. We just have the three youngsters.

We will be looking forward to seeing a lot of familiar faces in May.

Tell Margaret "hello". Does she still live out east of town, and does Sal still run the filling station. We haven't been to Arnold for a number of years.

Sincerely,
Jeanette Hays Keller

1970 LETTERS... From The Old Gang

SO SORRY

My apologies to the ones who wrote letters in 1970 and they were not printed. Even though they are printed and enjoyed "a year later", the news is not current.

Many factors help to decide in what makes up the paper and what is omitted — one of these being oversight; also the deadline to be met, etc.

Again, I'm sorry.

Dear Hazel:

Just received the card yesterday, so am late getting my dues sent in. Our address is 311 Gueding, Danville, IL 61822. We have lived at this address nearly two years now. I am enclosing my check for two dollars and fifty five cents (\$2.55) for my dues and the directory. The paper is most welcome and I shall look forward to receiving it.

Hazel, I had hoped to see you when I was home last September, but somehow missed you. David did not go home as he started teaching welding here in Danville High School last year. He resigned the church a year ago this month, but preached until they called a new pastor. I was disappointed in a way that he took the teaching job as three churches called him to candidate, one in Colorado, pretty close to home. I think he was reluctant to leave this area as I was.

We have been here in the Danville area nearly 20 years. He likes teaching and they have asked him to return next year. Three of our children are in Milwaukee now. Jeannette and Bert have three sons and they have lived in Milwaukee since they came home from France where they lived while Bert was in the service. Bert is in a bank in Milwaukee. We were up there Easter.

Dave and Bonnie lived in Germany 18 months and their son John was born there. They have a new daughter, Jennifer now. They live in Milwaukee & Dave operates a car wash. Our youngest son, Paul is in Milwaukee too. He helps Dave in the car wash and attends electronics school there. He graduated from Danville High last June.

Our daughter, Susan is in New York City working. She isn't married. Jim is a math teacher in Hayworth, Ill. This is his third year at the high school there. His wife, Betty teaches fifth grade there. It is her second year of teaching.

Our other son Steve attends Junior College here in Danville and lives at home.

I'm still working too. The country back home was so beautiful last year. I was delighted everywhere I went. It was especially good to see the old familiar horizons and so wonderful to see old friends.

Love,
Abbie Zoerb

Dear Hazel:

Please find enclosed my check for last year's dues. I paid last year.

It has been a long hard winter and we still have a lot of snow. We had close to 400 inches which made a real pain so far as skiing and snowmobiling were concerned.

We were able to get away for 10 days in March and attended the Bankers Convention in Hawaii which did help make the winter a lot shorter.

We are planning on being at the banquet this year and looking forward to seeing many of the old acquaintances.

Sincerely,
Chas. Fisher

Dear Hazel:

I am not sure how I stand on my dues to the Alumni Association. I do want to stay current because we enjoy reading the letters from the Alumni in the publication.

If it is possible, we will be able to attend the dinner-dance this year. At that time, we will be traveling to Sioux Falls, S. D. to attend the college graduation of our youngest son, John and we will try to go a day early to enable us to stop in Arnold.

If it is of any interest to other Alumni, I work for the school system of Cheyenne as business manager at East High School. Lynn is an employee of the State of Wyoming, Sales Tax Division.

Our son Gordon, is vocal music teacher at Superior, Neb., and daughter Lynette Cowley lives in Cheyenne with her family.

We Alumni, who live away from the home town, owe a debt of gratitude to you local people who must work hard to come up with such fine arrangements.

Thank you from us.

I am enclosing my check for \$2 to carry me as far as it will. I don't know for sure when my dues expired or do expire, but I will keep this cancelled check and no need to send receipt.

I'm hurrying now to get this into the mail so it will reach you before the postal strike really gets too far along.

We are well for our age. Ray is not too well, but I'm still working, teaching secretarial training. I'm now on my 25th year and hope to finish it next January. Then we'll see.

Charlotte and Lynn Whaley visited us and we hope they will come again. May Olofson and Louis were here years ago, and May came again later.

We wish the best to all the alumni — a great many of them — since 1921. Can't make the banquet, but wish we could.

Sincerely,
Helen Robinson Tietjens

Dear friends:

Just to say hello and send my dues for the paper. I enjoy reading the news. The Ricker family at this time are holding their own — most are in the same locations. Lynn is in Lewistown, Montana and the family is growing fast; Darr and Mary are in Billings and just returned from their yearly winter vacation; Bill is in Worland, Wyo. and was here on a vacation this winter; Jimmy is now in West Virginia, returning to California soon; Doris and Neville are at Lake Tahoe.

We all miss Eloise so much, and find it hard to accept.

I attended the Nebraska picnic this last September. It was very well attended. Two of my girls attended. They said they wanted to see what a Nebraska picnic was like.

Ray is still with Union Oil of California. We have 12 grandchildren.

Ray's brother, Harry Will just passed away on March 18 of this year.

Our regards to all.

I'm enclosing a check for \$2.00 to pay for my dues for 1969 thru 1972. I hope these figures are correct as I would hate to miss the paper.

I always miss seeing you in Arnold.

Greetings and good wishes to all.

We will be unable to attend the banquet, but hope to make it next year.

My family are all here except one daughter who lives at Pocatello, Idaho. I have five grandsons and four granddaughters.

We lost Berle — heart attack in January 1968 and we miss him so very much.

To The Alumni Assoc.:

It is gratifying to know there are the faithful ones to keep the Alumni going. We really owe all of "you a vote of thanks".

In August of 1969 I took my first overseas tour. We toured Spain and Africa. It was a real experience and thrill.

Thirty — three years and four grandchildren later I'd like to say "hi" to you all.

Like nothing better than a big "fireside chat".

Margaret S. How are you? I always miss seeing you in Arnold.

Greetings and good wishes to all.

Dear Hazel:

Just a note with this dollar for two years dues.

We had planned on coming back for the banquet this year, with Ken's sister Ruth McNeel and George. This year the dues be graduated with will be celebrating their 30th anniversary. But Ruth had a heart attack the 2nd of this month and so now we don't know if it will be possible to come or not.

Ruth is getting along fine & feeling better, but I don't think she will feel up to making that long a trip for some time. We will just have to wait and see.

We had to leave Logan, Utah last June because of Kenneth's health. It was a high there. He is a lot better at this lower altitude, but is not at all well. He is not able to do much.

After we were back to Arnold two years ago, I wrote to Harriett, Richard's mother, after I learned she still lived at Ed-dyville. I have heard from her and Harriett two several times.

Harriett's father died last fall I think it was. Harriett lives in Omaha and has three boys and a little girl.

How are you folks? We see in the Arnold paper where both of your children are married, and you two are alone like we are. I don't know where all the years have gone, but they sure have slipped by haven't they?

Hope this finds you all well, and if we don't get back for the banquet this year, maybe we can make it some other year.

Sincerely,

Virvan and Ken Steele

Dear Mrs. Stuppelbein:

Enclosed is \$2.05 for the '67 directory and \$1.00 for the 1970 and 1971 dues.

I was known as Robert Gunter in high school, but since then I have used my first name, and am known as Kenneth R. Gunter.

I work for a Los Angeles, Calif. general contractor, C. L. Peck Contractor. We are building a 16 story office building, and a 5 - story auto parking building and also started a 22 story office building next door to these. These are being built in Newport Circle, Newport Beach, Calif. I live about 12 miles from the job site.

Thank you for your thought and card.

Dear Hazel:

I am enclosing \$1.00 for the dues I owe you. I sure do enjoy the newspaper and am interested in hearing about old acquaintances. Wish we could make it to this year's banquet, but it can't be arranged this year.

We own a mobile home park and are still in the process of setting in mobile homes and it keeps me busy, but do hope to get back another year and see old friends.

Sincerely,

Lester Hays

Dear Hazel:

Enclosed find a check for two dollars. I don't know if I owe for any dues or not. May Olofson always kept track for me, and I think one of the boys did, but in case I'm an arrears, please use to pay up back dues or to pay ahead. I certainly do not want to miss the Alumni News.

In case David hasn't informed you of his change of address it is:

David Pearce (53)
8714 Ridgeway Dr.
Austin, Texas 78758.

Read of you and your family in the Sentinel. Every one seems to be living a busy and useful life.

I still can't get used to the seasons here. Iris is gone and pinka, roses, etc. are in full bloom.

Give our best regards to the Poels when you see them.

Sincerely,

Dear Mrs. Stuppelbein:

I am sending a dollar to pay last year's dues also for this year and hope it isn't too late to receive a paper.

We are living in a mobile home now as Garland is retired. I work some and keep busy in the Natavene Church at Hermosa Beach.

We have an orchestra for the vesper programs each Sunday evening, then I'm regular pianist of the church.

I teach primary children in Sunday school and hold an office on the board, so with all special meetings, I am really kept going.

We have nine grandchildren, and three great grandchildren now.

We'll be thinking of you on the alumni day. We will probably be back that way later in the summer.

Dear Friends:

Please find enclosed \$1.00 for the '69 and '70 dues. Hope I am not too late to receive a paper.

We just got home from a six week tour of southern and western United States. Had a wonderful trip and now it is hard to get back to routine, but it is nice to be back home, too.

Our family are all fine. We have two new grandsons since Christmas, so was a little hard to leave even for six weeks. But we aren't close enough to see them often anyway.

Our youngest son, Walt, is in his first year of college at U. of Texas at Austin, and our oldest, David is going back to graduate school in law. Our three daughters are all busy with families.

We've rented our farm out, and dispersed most of the Haze-ford herd, so is nice to be a little more free of the responsibility.

Please reserve places for two for us as we hope to make it.

Thanks much,

Phyllis Anderson
