

Community RelationsVisiting School

Parents and other interested individuals are encouraged to visit school and are to be made welcome by the respective building staffs and student bodies. Under ordinary circumstances, the teacher being visited by a parent should continue with the regular classroom work. It is desirable that any individual parent-teacher conference be held before or after school in order that the normal instructional activities not be disrupted.

Contacts during school hours with non-school individuals and agencies for materials, service, or programs may be made only with the approval of the principal.

For security reasons, all school personnel and students are asked to see that all visitors are courteously directed to the building principal's office, where visitors must sign in. In addition, the administration may exercise its discretion and has the authority to direct that certain individuals who may pose a threat of harm to students or staff or who may create or have created a disruption to the educational program be prohibited from being on school grounds.

Employees in school buildings shall report to the principal immediately any person loitering on or near the school grounds. If necessary, the principal will notify the appropriate law enforcement agency to investigate the situation.
