

Business OperationsRisk Management and Safety Committee

Arnold Public Schools is committed to providing and maintaining a safe and healthy work environment. The administration is to make the safety of employees an integral part of the management function. Each employee is to make safety an integral part of their duties by following established safety regulations and procedures, assisting in accident prevention activities by reporting any job-related injury to the administration immediately, reporting unsafe conditions immediately, and providing suggestions to eliminate accidents and injuries. Failure to follow safety rules may lead to disciplinary action up to and including termination.

Safety and health management is the ultimate responsibility of the Board. Functional authority for continued development and implementation of health and safety is hereby delegated to the Superintendent or the Superintendent's designee.

The Superintendent or designee is to establish and maintain the Safety Committee or committees as required by law. The Safety Committee(s) shall be made up of members, hold meetings, and perform such functions as required by law. The Safety Committee(s) shall adopt and maintain an effective written Injury Prevention Program for the School District. The Superintendent or the Superintendent's designee is delegated authority and responsibility as required or allowed by law over such Injury Prevention Program.

Management shall participate in the Safety Committee(s), in safety education and training, the establishment of safety rules, policies and procedures as provided in Board policy, the School District's written Injury Prevention Program, and as otherwise provided by law. The Superintendent shall ensure that records of safety law compliance and workplace injuries are created and retained as required by law.
