Missing Persons

A missing person shall mean a person sixteen (16) years or younger reported to any law enforcement agency as abducted or lost.

Upon notification by the Nebraska State Patrol of a missing student, the school will flag the student's records in such a way that any personnel looking at such birth certificate or record shall be alerted to the fact that the birth certificate or record is of a missing person. If the record has been flagged as that of a missing person, and a request for transfer of the student's records is received, school personnel shall not forward such records to the requesting school, but shall instead notify the Principal, who shall notify the Sheriff's Department of the request and that the student is a reported missing person.
